Re: U.S. *ex rel* Singh, et al. v. Bradford Regional Medical Center, et al.

Dear Dan,

This letter will acknowledge receipt of the copy of your subpoena directed to TriCounty Diagnostic Testing Services, LLC.

Plaintiff-Relators object to the Subpoena and Document Request on the grounds that the information requested is not relevant to the subject matter involved in the pending action and does not relate to a claim or defense of any of the parties to the litigation, nor does the information sought appear to be reasonably calculated to lead to the discovery of admissible evidence.

If you should have any questions with regard to this matter, please do not hesitate to contact me.

Very truly yours,
Andrew M. Stone
